

CASE STUDY HYBRID INSULATION

CAMPER VAN

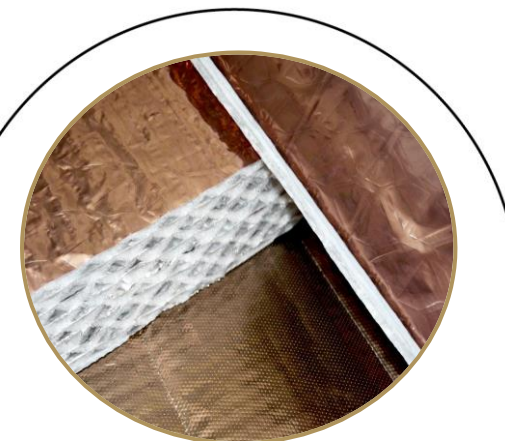

PRODUCT USED

- HControl Hybrid

“The combination of good insulation and a good log burner is definitely money well spent. Thanks ACTIS insulation for your help and your continued support helping me get it right.”

CAMPER VAN EXPLORER WILL TEST ACTIS HYBRID’S PERFORMANCE AT TEMPERATURE EXTREMES

An adventurer who is about to embark on a year-long voyage around Europe and North Africa carrying out ‘random acts of kindness’ has insulated his camper van with Actis Hybrid and will put it through its paces in low temperatures and blistering heat.
